

King's coronation

STREET PARTY

- We would like to discuss ideas for a street party in the playground in celebration of the King's Coronation.
- As decorations, we would like balloons around the area of the party!
- We think we should have tables and chairs along the corridor, or if it's sunny, outside in the playground

FOOD!

- We have vaguely discussed food and would like to have a royal theme in pack lunches and school dinners (Which we will talk to the dinner ladies about)
- And to add to this, the children (And Teachers!!) can come to lunch dressed up as royalty

CRAFTS AND GAMES!!

- We will have lots of games and crafts, including, four corners, musical statues and musical bumps.
- Our crafts could be making crowns / tiaras, drawing the king and queen to put up on a display.
